NOTICE OF INTENTION TO PROCURE THROUGH RESTRICTED TENDER

The Kenya BioVax Institute intends to procure through Restricted Tender for; Design, Build, Assemble, Install, Commission, Training and Maintenance of **GMP-Certified Enabling Works** of a 'Fill-and-Finish', Turn-Key Sterile Biomanufacturing Facility.

This is therefore to notify the general public of this intention in line with the Public Procurement and Asset Disposal Act 2015, Section 102 (1)(d).

Interested firms should forward their company profile, evidence of similar **Good Manufacturing Practice (GMP)** related works undertaken and any other supporting documents to the email address procurement@biovax.go.ke on or before **Monday 27th May 2024 at 1700 hours**.
